Meaning and significance of written liturgy - An arranged order of worship is known as liturgy. In the ancient church, worship was conducted in an orderly manner. Indications of are available in 1 cor. 11-14. Many portions of New Testament are parts of the oral liturgy followed by the ancient church. It was through liturgy that faith was proclaimed and propagated (John 3:3 Acts. 2: 38 etc.) These portions teach us many things about Jesus Christ and His salvation bid. As the church grew, orderly worship service also grew. Written prayers came into being in the context of wrong teachings that found a way into the church. Bishop of Lyons, Irenaeus had said: “our doctrine is in conformity with the eucharist and the eucharist confirms it”. It helps the in keeping the church united, in maintaining the beliefs and in spreading them Worship becomes meaningful only when we assimilate the essence of the written liturgy while following it. Repetition shows the depth and make faith stronger. The liturgies were all written by divinely inspired people. Extempore prayer has its own importance in worship service. Therefore, liturgies are better for the conduct of worship services and to assimilate the spiritual truths. If carefully examined, it would be revealed that extempore prayers have a repetitive tendency. The written prayers are condensed prayers of the sages of the church. They are continuously modified and translated. In this sense liturgies are dynamic part of our worship. - **Rev: Jacob John V.**
