## From Vicar's Desk.....

"Only be strong and very courageous, being careful to do according to all the law that Moses my servant commanded you. Do not turn from it to the right hand or to the left, that you may have good success wherever you go. **(Joshua 1:7)**

Dearly Beloved in Christ,  
Greetings in the precious name of our Lord and Savior Jesus Christ,

Praise be to God who gave us the opportunity to live on this earth for one more month.

I express my gratitude and love to all the parishioners who have cooperated in all the programs which were held in our parish in May. I request everyone's participation in all the activities of the Parish and the Organizations of the church.

Josua.1:1-9, The Divine methodology of the call and commission of people for his mission in this world. Divine call and command: God commands and challenges Joshua to go into the land and possess it. It's a challenge to take the risk of being an instrument in implementing the purpose of God. As people of God saved by our Lord and Savior Jesus Christ, let us listen to the Divine command to go forward with the vision of fulfilment of the kingdom of God. Divine promise and encouragement: God assure Joshua of the Divine Authority and faithfulness. God also promises His empowering presence with Joshua (v 5). Divine conditioning: it was God's purpose for Joshua that if he was to be a leader there must be the spiritual discipline in his life through the word of God. There was also to be absolute obedience - obedience to the word of God, the source of our strength and courage. So, if we are to be sincere in our call and experience God's presence we must get into God's word and allow it to work in and through us.

May God Almighty bless us all.

Yours in Christ,

V. T. Thomas Achen
