From Vicar's Desk.....

"There is a boy here who has five barley loaves and two fish, but what are they for so many?"
(John 6:9)

Dearly Beloved in Christ,

Greetings in the precious name of our Lord and Savior Jesus Christ,

Thank God for the blessings we received from God last month which helped us to lead a joyful healthy life witnessing Christ in our worship and church activities. I express my gratitude and love to all the parishioners who have cooperated in all the programs held in our parish in October. Thank you all for your continued support and prayers.

We live in a world where we face many problems and looking for solutions, but sometimes we forget that a divine solution is the only answer. When a situation arises, we can't get a solution at the moment. But it has time to get rid of it. We try to figure out our problems, and finally in desperation we let God in on it. Jesus had already got it figured out. The sufficient provider multiplies our insufficient provisions. One needs to be reminding oneself that every resource comes from the hand of God. When your resources are running low, we are to stop putting your trust in material provisions and learn to put it in God. Jesus only wanted the boy to place it in His hands and leave the rest to the miracle worker. It is not insignificant and let us be a guiding force to bring a child to Christ.

May God Bless us all abundantly.

V. T. Thomas Achen
