You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the flesh; rather, serve one another humbly in love.

From the Vicar's desk

Dear brothers and sisters in Christ,
I greet you in the name of our Lord Jesus Christ.
We have passed half the months of the year. We are going through different experiences that we did not expect. Our church has been closed for the past four months. The church wants to open, but the situation is not favorable now. Thank Lord for the grace of God that still works on us.

We are meditating on different thoughts during the month of July. One of those is tithes. Tithing teaches us obedience, and discipline in our life. God blesses the people who pay tithes. They do not always have the most money or best clothes, but they are blessed because God supplies all their needs, the expectation of a return should not be our motivation for giving. But surely God value our giving
Rockefeller was a rich industrialist in America. At the age of 33 he became a millionaire. At the age of 53 he was the richest man in the world. But he could not celebrate his 54th birthday as he desired due to a dreadful disease that threatened his life seriously. It was a challenging experience for him. He was being accused for accumulating his wealth illegally and causing many to become poor. He decided to give his wealth for a noble cause. He established a charitable trust known as Rockefeller foundation and his earnings were distributed for public service like education, health etc. Gradually he got back his health and lived up to the age of 98. Paul says that he who supplies seed to the sower and bread for food will supply and multiply your resources and increase the harvest of your righteousness.

(II Cori 9:10)

Greater effort and divine grace are inevitable factors that enable us to give generously for a noble cause. Our giving becomes an expression of love, care and kindness. It is an integral part of Christian spirituality. Generosity is not about how much we give, but how we give. We should be cheerful and glad when we contribute, rather than be fearful, guilty or moved by any compulsion. Paul remind us that "a man reaps what he sows"

May Lord help us to live according to His principles of giving so that we may be able to participate in His kingdom work. Amen

Jose Achen.
