From the Vicar's desk

Dear Salem Family,

Praise be to the Triune God.

The world is trying to survive the covid pestilence. We can continue to pray for the power of survival. The month of June we are going to meditate the Trinity, wisdom and protection of God's creation. The grace of the Lord Jesus Christ, and the Love of God and the fellowship of the Holy Spirit be with you all (II Cori:13:14). This is one of the passages of the bible where the three persons of the Trinity are mentioned. The three personalities of God are exclusively a Christian doctrine and a truth of scripture. This is a doctrine that goes beyond the scope of human mind and it lies outside the natural reason and logic. The love of God, the grace of the only begotten son and the abiding presence of the Holy spirit are the three functions of God almighty and these cannot be separated. The love that creates and sustains the world, the grace of the son that redeemed the fallen world and the everlasting presence of Holy Spirit that guides are the three functions that the world experienced from the revelation of God.

Wisdom described is the ability to discern what is right and wrong and fair. It is not simply knowledge, but it requires the application of knowledge to everyday life decisions. We say that God is the source of all wisdom. How do we gain wisdom? God shares His wisdom with us through His word. It is not enough to read God's word, but it is important to store up God's commandments in our hearts. This requires us to immerse ourselves in His word and to study it diligently. The constant meditation of God's word will give us the ability to recognize right from wrong.

Second Sunday we are observing as ecological Sunday. The human responsibility to take care of creation is seen in Gen 2. Where humans are given responsibility to work it and keep it. God established a created order and now we have made it a disorder. At the end of each day of creation it is stated that 'God saw that it was good.' God created the world in such a way that it would be sufficient in providing for the needs of the created order. As God's people, can we commit to taking care of creation? We must remember that all of creation comes from God and is sustained by Him. But it is our responsibility to facilitate to enable this order to continue. When we observe ecological Sunday must think what our contribution is to protecting God's creation. May the triune God help and empower us to do the same.

May the Lord God bless and heal you all
Jose Achen.
