## From Vicar's Desk.....

Greetings in the precious name of our Lord and Savior Jesus Christ,

Thank God for the blessings we received from God last month which helped us to lead a joyful healthy life witnessing Christ in our worship and church activities. I express my gratitude and love to all the parishioners who have cooperated in all the programs held in our parish in October. Thank you all for your continued support and prayers.

Family is a celebration of relationships. The first experience of family living is depicted in the biblical account of creation. In the Garden of Eden, God establishes marriage and the family as a covenantal relationship and considers it to be the basic building block of society. As king of all creation, God entrusts Prince Adam and Princess Eve with a kingdom that spans the entire creation and grants the royal human family dominion over all creation- "Be fruitful and multiply and fill the earth and subdue it; and have dominion over the fish of the sea and over the birds of the air and over every living thing that moves upon the Earth." (Genesis 1:28) such an enormous amount of power and authority was given to the Human family because the image of the King was sealed upon them (Genesis 1:27) Thus, their role is clearly defined as a steward and not as an owner of creation. Let us pray to God, Lord, makes our house a home where space is provided for our enrichment in You. May God Bless us all abundantly.

V. T. Thomas Achen
